

# Quality Policy

We at UL Group Of Companies committed to design and manufacture electronic components for automotive and industrial applications to customer and to their total satisfaction  
by  
providing good quality, on time delivery, at competitive price.

This shall be achieved through

- Continual improvement in QMS
- Complying applicable requirements
- Adopting new technologies
- Achieving quality objectives
- Continuous evaluation of market to explore challenging areas of operations.

Mr. Uday Jadhav.

Chairman UL Group.
